

Auto Sentry® flex HD

The Evolution of the Car Wash Industry's Most Reliable Payment Terminal

Originally developed in 2007, the Auto Sentry flex has continually evolved to meet the needs of today's car wash customer. The latest innovations incorporated into ICS's flagship payment terminal, the Auto Sentry flex HD include:

- High definition 17" ultrabright touchscreen display that is visible in the brightest sunlight
- Enhanced graphics and videos that improve the customer experience
- Redesigned front panel that provides a crisp, modern appearance
- Redesigned layout of internal components for improved serviceability

Auto Sentry® *flex* HD

Make a great first impression on new customers, and wow your current customers, by upgrading to a payment terminal that features the broadest set of capabilities in the industry:

Auto Sentry® *flex* HD Features & Benefits

- Enhances the customer experience while increasing customer throughput
- Provides clear and inviting upsell opportunities to increase revenue per vehicle
- Offers customers the widest range of payment options: cash, coin, credit card, gift card, fleet card, wash book, wash code, barcode, RFID/LPR, ePOS and mobile app
- Protects your profits through the use of ¼" powder-coated steel (base) construction, 3 heavy-duty Medeco stainless steel locks, as well as sonic and seismic sensors to deter would-be thieves
- Offers the security of an EMV and PCI-compliant solution
- Includes dual heat exchangers which provide an operating temperature range of -20 to 120 Fahrenheit and prevent the exchange of moisture and contaminants so your payment terminal is always ready for business
